

ERRES

safe and dependable

The ERRES electric blanket is an absolutely safe and dependable quality product. Laundering instructions are included.

2 colours, 3 models

You have a choice from 2 attractive colours: corn yellow and deepriver blue. ERRES electric blankets come in three models. Ask your dealer which type is best suited to your specific requirements.

the ideal gift!

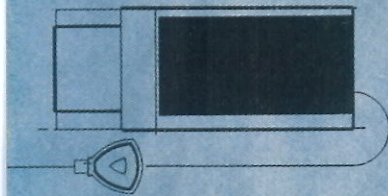

Each ERRES electric blanket comes in an attractive carrying box and this makes it an even more welcome gift - one you will be remembered by for a long time!

simple control

You can turn the ERRES electric blanket off and on, and set the dial to the required degree of warmth, while you are in bed.

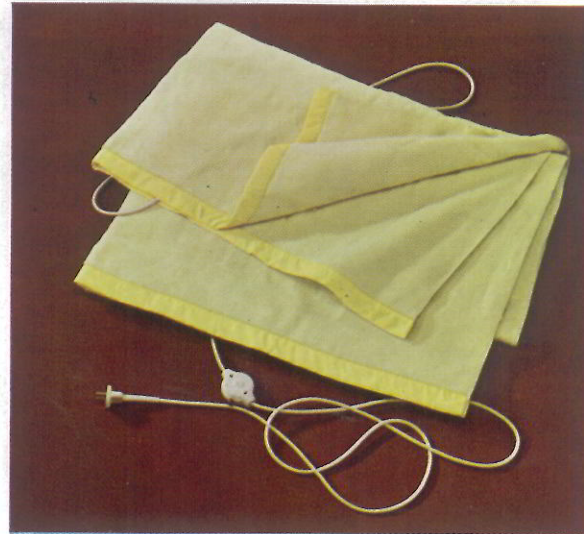

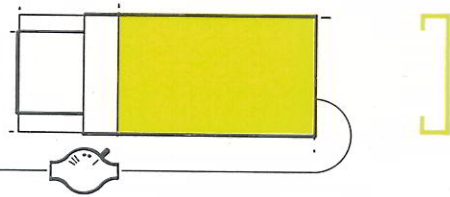

BV 4

Underblanket or overblanket. Extra heat at the bottom end. Extra wide bottom part for tucking in. Dimensions: 33½ x 70 in.

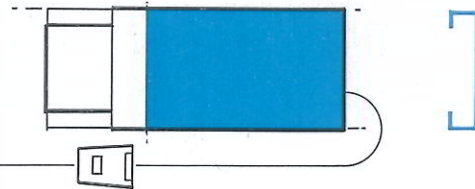

BV 5

Large size de-luxe blanket with ample edges for tucking in. For use as overblanket.
Dimensions: 59 x 80 in.

BV 6

Fully automatic "thinking" electric blanket. Heat is automatically controlled so that temperature in the blanket remains constant in spite of changes in room temperature. Selected temperature easily legible on lit dial. Ample edges for tucking in. Dimensions: 59 x 80 in.

**for a deep sound sleep...
and to wake up fresh as a daisy...
...use an ERRES
electric blanket**

With the ERRES electric blanket there are no more chilly, damp sheets that are the cause of your waking up cold and miserable.

From now on your bed is comfortably preheated and you will enjoy a deep sound sleep under a light cover since the ERRES electric blanket almost fully eliminates the need for other blankets.

Wake up fresh as a daisy after an invigorating sleep thanks to your ERRES electric blanket.

enjoy a deep, sound sleep!

Cold and dampness have no chance to interfere with perfect sleeping comfort when the ERRES electric blanket has made its appearance! You'll go on sleeping, even when you turn over - something we all do many times - because with the light weight ERRES blanket you don't feel like sleeping under a "load".

your dealer will gladly demonstrate the ERRES electric blanket.
